i>clicker v7.8.1 Gauchospace Integration
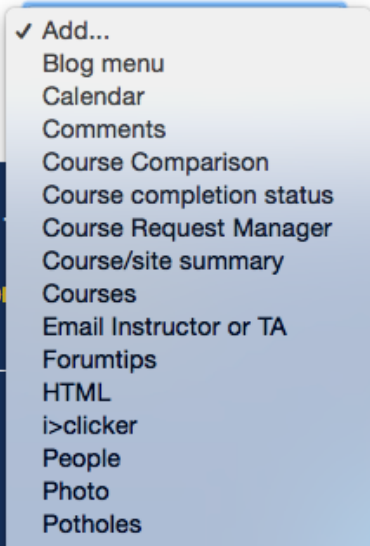

1. Navigate to your Gauchospace course page and click "Turn Editing On" in the upper right corner.

2. Scroll to the bottom of your page and select the "Add a Block" drop down menu. Select i>clicker from the menu.

3. Your block will appear on the right side of your course page. Please advise students to register their i>clicker remotes through the block. Failure to do so will potentially affect the student's grade.

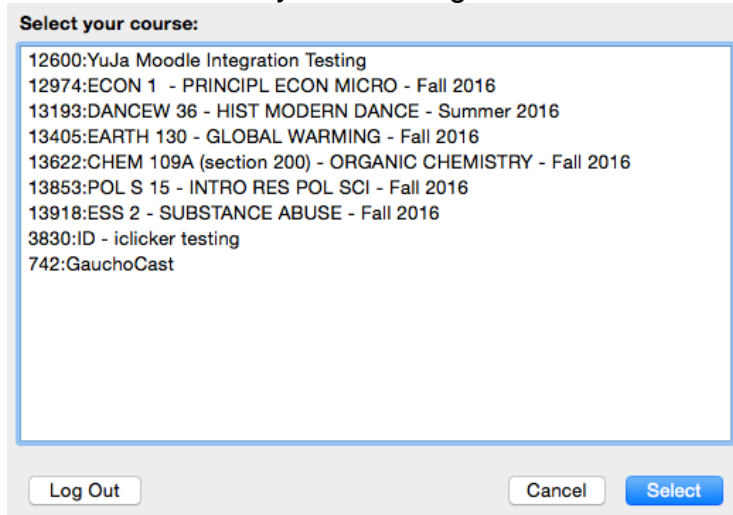

4. Click the "Single Sign-On Security Key" link. Highlight your key and copy it.

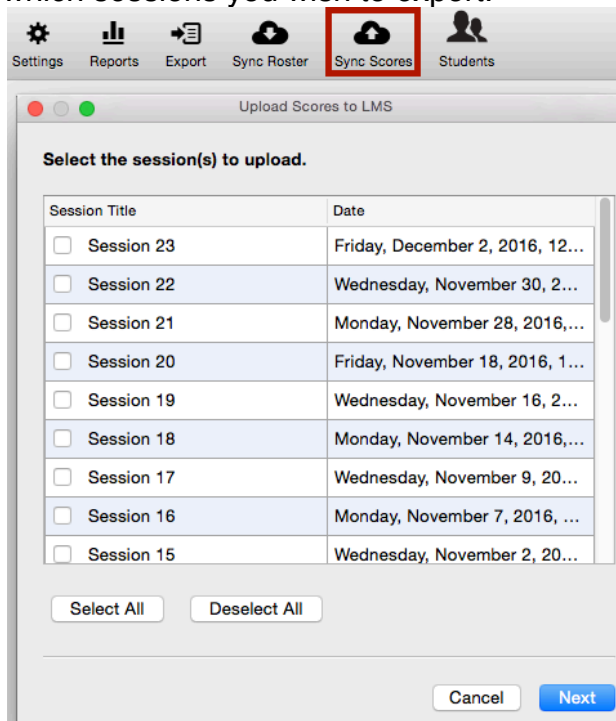

5. Open the i>clicker software and select "Open Gradebook". Select the Sync Roster option from the top menu.
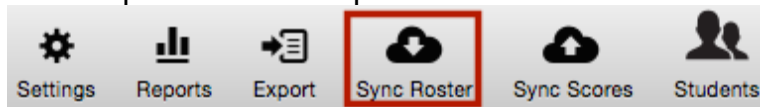

6. Enter your Gauchospace username (UCSB NetID) and paste your Single Sign-On Security Key. A selection of courses will appear. Choose the correct course that you are using i>clicker with.

Select your course:

12600:YuJa Moodle Integration Testing
12974:ECON 1 - PRINCIPL ECON MICRO - Fall 2016
13193:DANCEW 36 - HIST MODERN DANCE - Summer 2016
